Bicycle

COMPANY PROFILE

YUAN FEY INDUSTRY CO., LTD.

For over 3 decades from Oct. of year 1975, we produced all types of bicycle parts at beginning. Pedal and Lock were our major items and supplied them into the markets of Taiwan and Southeast Asia.

We expended our factory and production equipments since 1985, and started to manufacture the complete bicycle like Mountain Bike, Folding Bike, Lady Bike, Children Bike, Beach cruiser chopper, Racing Bike, Electric Bike and so on. The major selling markets include Europe, Central/South America, Southeast Asia, and Japan.

Part of our production lines are moved into China in order to fit in with the market tendency and to broaden the scope of our service.
